

**State of California  
AIR RESOURCES BOARD**

**Portable Fuel Containers and Spouts**

**EXECUTIVE ORDER G-11-044A**

**Great Outdoor Products, LLC Portable Fuel Containers**

WHEREAS, the California Air Resources Board (ARB) has established, pursuant to California Health and Safety Code, sections 39600, 39601, and 43013, criteria for obtaining certification of a portable fuel container, spout, or a portable fuel container and spout in "CP-501, Certification Procedure for Portable Fuel Containers and Spill-Proof Spouts," adopted July 26, 2006, incorporated by reference in California Code of Regulations, title 13, sections 2467.2 and 2467.8;

WHEREAS, "CP-501, Certification Procedure for Portable Fuel Containers and Spill-Proof Spouts," adopted July 26, 2006, (hereinafter "Certification Procedure") incorporated by reference in Cal. Code Regs., title 13, sections 2467.2 and 2467.8, requires that an application for certification include the results for each test specified in ARB's Test Procedure TP-501, Test Procedure for Determining Integrity of Spill-Proof Spouts and Spill-Proof Systems (July 26, 2006), and ARB Test Procedure TP-502, Test Procedure for Determining Diurnal Emissions from Portable Fuel Containers (July 26, 2006);

WHEREAS, section 1 of the Certification Procedure provides that an executive order (EO) will only be issued for a portable fuel container, spout, or both portable fuel container and spout that demonstrates compliance with all applicable certification requirements;

WHEREAS, section 3 of the Certification Procedure requires an applicant to submit specified information in its application for certification;

WHEREAS, section 5 of the Certification Procedure provides that ARB executive officer shall evaluate each application for certification of a spill-proof system or spill-proof spout, to determine if the spill-proof system or spill-proof spout complies with the criteria for issuance of an EO;

WHEREAS, I find it necessary to revise EO G-11-044 to add a new 1.75 gallon gasoline container model and to specify that all 2.0 gallon models are sold either separately or in conjoined pairs;

WHEREAS, Great Outdoor Products, LLC has submitted an application for certification of the products identified in Table 1 to be sold under the brand name ROTOPAX, each with model number LV-06 Scepter ECO Spouts (hereinafter referred to as "Portable Fuel Container system" or "PFC"):

\*All 2.0-gallon containers are sold either separately or in conjoined pairs.

WHEREAS, Great Outdoor Products, LLC has submitted data generated from each test specified in ARB Test Procedure TP-501, Test Procedure for Determining Integrity of Spill-Proof Spouts and Spill-Proof Systems (July 26, 2006) and ARB Test Procedure TP-502, Test Procedure for Determining Diurnal Emissions from Portable Fuel Containers (July 26, 2006) that demonstrates its PFCs comply with the criteria specified in section 2 of the Certification Procedure;

WHEREAS, Great Outdoor Products, LLC has submitted information demonstrating that its PFCs comply with the requirements of American Society for Testing and Materials Standards (ASTM) F-852-99 (March 10, 1999) and ASTM F-976-02 (May 10, 2002);

WHEREAS, Great Outdoor Products, LLC has submitted a copy of the warranty language and operating instructions specified in section 2 of the Certification Procedure;

WHEREAS, Great Outdoor Products, LLC is not participating in the Optional Consumer Acceptance Program for its PFCs;

WHEREAS, Great Outdoor Products, LLC has submitted all of the information specified in section 3 of the Certification Procedure in its application for certification of its PFCs;

WHEREAS, Great Outdoor Products, LLC's application for certification of its PFCs has been evaluated, and its PFCs have been found to comply with the criteria for the issuance of an EO; and

WHEREAS, Pursuant to California Health and Safety Code, sections 39515, and 39516, the ARB executive officer issued EO P-07-002 delegating to the Chief of ARB Monitoring and Laboratory Division (MLD) the authority to certify portable fuel containers, spouts, or both portable fuel containers and spouts.

NOW, THEREFORE, I, Alberto Ayala, Chief of MLD, find that the Great Outdoor Products, LLC PFCs identified in Table 1 conform to the performance requirements set forth in Cal. Code Regs., title 13, section 2467, when tested in accordance with TP-501 and TP-502.

IT IS ORDERED AND RESOLVED that the PFCs produced by Great Outdoor Products, LLC as described in its application for certification of said systems are hereby certified to meet the performance standards and administrative requirements applicable to portable fuel containers. Production systems shall be in all material respects the same as those for which certification is granted and shall meet all the certification requirements except for the optional consumer acceptance program.

IT IS FURTHER ORDERED that Great Outdoor Products, LLC must comply with the administrative requirements specified in Cal. Code Regs., title 13, section 2467.5.

IT IS FURTHER ORDERED that any alteration of the components or design of the PFCs certified hereby is prohibited and is inconsistent with this certification, unless said alteration has been approved by the executive officer or his designee.

IT IS FURTHER ORDERED that Great Outdoor Products, LLC must supply a copy of the warranty language submitted in its application for certification for its PFCs in the packaging of each certified PFC at the time of sale.

IT IS FURTHER ORDERED that Great Outdoor Products, LLC must supply a copy of the operating instructions for each PFC as submitted in its application for certification in the packaging of each certified PFC at the time of sale.

IT IS FURTHER ORDERED that Great Outdoor Products, LLC must supply any changes to the warranty language or the operating instructions to the executive officer for review and approval at least 30 days prior to implementation.

IT IS FURTHER ORDERED that the executive officer may enjoin sales, assess penalties, revoke, or modify this certification as provided in Cal. Code Regs., title 13, section 2467.9, if the Executive Officer determines that the product available for sale in California does not meet the "Certification and Compliance Test Procedures" as provided in Cal. Code Regs., title 13, section 2467.9.

IT IS FURTHER ORDERED that this executive order shall supersede EO G-11-044 dated October 6, 2011.

Executed at Sacramento, California, this 4<sup>th</sup> day of June 2012.
